NAIROBI DAY EXCUSSION ITINERARY:

0630HRS: Pick up at Sarit exhibition Centre for half day Nairobi National Park drive.

While at Nairobi National Park, you will take game drive to see four of the "Big five"; Lion, leopard, Rhino and the Giraffe. Bird watching is also popular here with over 400 species of birds recorded. Tortoise and turtle watching is also enjoyed.

1200hrs: Arrival at the Giraffe Centre, located in Lang'ata, approximately 20 kilometres from the centre of Nairobi, Kenya.

The Centre is a sanctuary where you can feed, interact with and learn about the Rothschild giraffes that live there. As a non-profit, they rely on visitors and donations to fund the great work they do there.

Education is one of the main goals for the Giraffe Centre. The main attraction for both school children and visitors is feeding giraffes from a raised observation platform. The Giraffe Center is also home to several warthogs which freely roam the area along with the giraffes.

1400hrs: Arrival at Nairobi National Museum located along Kipande Rd, Nairobi.

The Museum aims to interpret Kenya's rich heritage and offers a one stop for visitors to sample the country's rich heritage both for education and leisure. In addition to the Museum, visitors are treated to a variety of shopping and dining facilities, as well as botanical gardens that offer a serene environment.

Your tour will end at 5pm whereby you will be dropped at the pick-up point "Sarit Exhibition Centre"
